

Last Sunday the club held its 2025 Annual General Meeting at the Kawana Surf Club. I would like to thank the 45 members who took the time to participate in this important event to shape our clubs' future.

The important issues that we resolved were:

**1. Membership fees** for 2026 remain at \$30 per calendar year.

**2. Management committee positions** for 2025/26 are:

- Myself as President
- Craig Humprey as Vice-President
- Paul McGuire as Treasurer
- Michael Jacobson as Secretary

**3. Helen and Michael Gavigan** were **awarded life memberships** for service to the club. Next time you see them please congratulate them on their well-deserved award.

**4.** Eighty percent of members present voted that the name *Sunshine Coast Bicycle Touring Club Incorporated*, be changed and replaced with **Sunshine Coast Bicycle Club Incorporated**. Approval from the Office of Fair Trading QLD will now be required before we can adopt that new name. The two required alternative names to be submitted will be *Bicycle Sunshine Coast Club Incorporated* and *Bicycling Sunshine Coast Club Incorporated*.

**5.** The meeting also agreed **that children over ten years of age** should be able to join the 20km group for their Saturday ride. We will now need to **amend our Club's By-Laws**, check **our insurance coverage** and establish **guidelines for safe cycling** practices for when children join the 20k ride.

A full copy of the minutes of the AGM meeting will be available on our website.
