Cycle of Giving 2026

Supporting Lifesaving Cardiac and Transplant Research

Sponsorship Invitation

You are invited to be part of the **2026 Cycle of Giving**, a much-loved Sunshine Coast charity ride raising funds for life-saving **Cardiac and Transplant Research**.

This year marks a special milestone — our **20th anniversary** — with the Charity Ride on the morning of **Saturday 25 July**, followed by a celebration dinner with a guest speaker from The Prince Charles Hospital.

Local business and community involvement are at the heart of this event, and your support truly makes a difference. Every contribution — large or small — helps raise vital funds and creates a memorable experience for riders, families, and supporters.

How You Can Help
Sponsorship is available at three levels, and all donations are tax deductible.

Bronze Sponsors
A donation, goods, merchandise or in-kind support to help make the 2026 event a success.

Silver Sponsors
A $2,000+ donation or a high-value prize to be raffled on the day.

Gold Sponsors
A $5,000 donation — we are seeking Gold Sponsors for the event and would welcome the opportunity to tailor recognition and promotional opportunities to suit your organisation including: riding kit with the Gold Sponsor logo and a display at the event hub.
Gold Sponsors are invited to attend the dinner to network and promote their business.

Promotion & Visibility for All Sponsors
- Listing of your business name on the Cycle of Giving website and Sunshine Coast Bicycle Club social media channels.
- Recognition on event-day signage and in event promotions.
- Encourage our members and supporters to support your business.

Thank you for considering supporting the 2026 Cycle of Giving — together we can help fund research that gives more Australians a second chance at life. Please contact me if you would like to discuss sponsorship options.

Warm regards,
Caitriona Conway
