Supporting Lifesaving Cardiac and Transplant Research

THE COMMON GOOD
AN INITIATIVE OF THE PRINCE CHARLES HOSPITAL FOUNDATION

20th
Anniversary

BE PART OF THE LEGACY. BE PART OF THE IMPACT.

You are invited to stand alongside us for the 2026 Cycle of Giving a signature Sunshine Coast charity ride dedicated to raising vital funds for life-saving Cardiac and Transplant Research.

This year marks a powerful milestone: our 20th anniversary. On Saturday 25 July, riders will take to the road in the morning, followed by a celebration dinner featuring a special guest speaker from The Prince Charles Hospital honouring two decades of community, courage and commitment.

Local businesses and community partners are the heartbeat of this event.

Your involvement is more than sponsorship it is a visible commitment to advancing medical research, strengthening community connection and creating an unforgettable experience for riders, families and supporters.

Every contribution, whether large or small, fuels real progress and lasting impact.

Join us. Lead with purpose. Help drive the next chapter of giving.

Anniversary

Gold Sponsorship – \$5,000 Investment in Impact

We are seeking a select number of Gold Sponsors to partner with us for this event and play a leading role in driving meaningful change.

As a Gold Sponsor, your organisation will receive premium brand visibility, including prominent logo placement on the official riding kit and dedicated recognition at the event hub. We will also tailor promotional opportunities to align with your brand objectives and maximise engagement.

Gold Sponsors are invited to attend the official event dinner, providing an exclusive opportunity to network with business leaders, community advocates and key stakeholders while showcasing your organisation's commitment to purpose-driven impact.

20th
Anniversary

Silver Sponsorship – \$2,000 Commitment to Impact

We invite you to partner with us as a Silver Sponsor through a contribution of \$2,000 or more, or by donating a high-value prize to be raffled on the day.

Silver Sponsors directly support life-saving Cardiac and Transplant Research while helping us deliver an exceptional event experience for riders and supporters.

In recognition, you will receive event acknowledgment, brand visibility across communications, and on-the-day recognition — aligning your organisation with a trusted initiative celebrating 20 years of impact.

Your support will help drive meaningful change.

Bronze Sponsorship – A Donation Towards the Event

Bronze Sponsorship provides the opportunity to contribute through a financial donation, goods, merchandise or in-kind support to help make the 2026 Cycle of Giving a success.

Every contribution no matter the size plays a vital role in delivering a memorable event and raising essential funds for life-saving Cardiac and Transplant Research.

Your generosity will support the event experience and help the Cycle of Giving continue driving meaningful change.

20th
Anniversary

Promotion & Visibility for All Sponsors

All sponsors will receive recognition through listing on the Cycle of Giving website and the Sunshine Coast Bicycle Club social media channels, acknowledgement on event-day signage and in event promotions, and active encouragement for our members and supporters to support your business.

We sincerely thank you for considering support of the 2026 Cycle of Giving. Together, we can help fund vital research that gives more Australians a second chance at life.

Should you wish to discuss sponsorship opportunities further, we would welcome the opportunity to connect.

Warm regards

Caitriona Conway
on behalf of the Cycle of Giving Committee
